

# Cream teas for a Cause

This coming October, I will be living in Thailand for 6 months, while in the country we will be volunteering in a community, teaching English and organising sports and arts clubs

While in Chiang Mai, one of our main projects will be working alongside missionaries in a home for children with severe disabilities and visiting an emergency shelter.

Fundraising for  
Action teams:  
Thailand volunteer  
trip

I would love to see you there
