5	SPS AGM: Planning was an issue. Good compromise to work with councillors on liaison and fact finding. Bill Egerton has put link on village website. It was agreed that the SPS bank account details could be used if a fund were needed to be set up to fight a planning proposal. Colin Marsh continues to report on the Neighbourhood plan. The SPS will continue to use its money to enhance the appearance and life of the village.	
6	Update new website: KP hopes to have the website live by the end of the year. Combining the old with new has to be done carefully and it takes time. To be reviewed in November. SS asked about the cost and time to KP. He is happy to manage and edit but is happy to have others join him in these tasks. There will be a place for planing issues on the new website.	KP
