Decisions

2. It was agreed that:

- Close cooperation with the Employment, Business & Tourism Sub-group was important.
- Further analysis was required before suitable questions could be framed, as part of a village consultation, and draft policies developed.
- SH & PD would contact Wessex Water to discuss the role of the Waterworks in supporting existing and future village facilities.

- SH & PD would contact Karen & Jo to discuss the role of the Springhead in supporting existing and future village facilities.
- PD would contact Maureen Morris and the Mission Hall Trust to gather data on the village's use of the Mission Hall and details of the tenancy agreement.
- PD would draft an outline map, identifying walking paths around the village.
