Planning.

- ① Purbeck Lodge. The Society has no objection to
its application for a lounge extension.
- ② Site West of Beggars Roost: The Society had suggested
that a bungalow would be more suitable in this position
but as there is a house on the adjacent side the Council
have given permission for the building of a house.

③. 66, Sutton Rd. The building of the house is in progress.

④. Erection of shed for indoor riding school. The Planning Sub-Committee of the Society met to discuss this proposal and was very sympathetic towards the case. The horse-riding should be encouraged as it is a village business in keeping with the countryside. However, owing to the huge size of the building it would obstruct the view up the valley. Unfortunately another site could not be suggested. The proposal was rejected by the Council.

After a meeting with Miss Purman, Mr Ingham agreed that the sub-committee should go again to look at the site, after Miss Purman has stated our position.

⑤. 83, Sutton Rd. The council has given permission for the front of the bungalow to be extended.

Summer Activities

- a). Mr. Knight will kindly make covers for Mr. Saunders walk.
- b). A cover was passed round the Committee advertising 'Music in Gardens' sent by Mrs. Brown of Cobbs Cottage.
- c). Offers are still required for tea on the lawn.

Report of Membership Cards

Nan will be asked to supply samples of new membership cards and writing paper. The blocks used previously are in the possession of Lithopress (Weymouth) Co. School St Weymouth.

Any other Business. A number of complaints have been received about the bad state of the pond. Laurie will

make enquiries about it.

Complaints have been made about some of the footpaths being blocked. It was decided that the Society should not become involved, as other organisations eg. Ramblers had been dealing with it.

The next meeting will be held at 8, Old Bincombe lane at 7.30 pm. on Tuesday, 22nd July.

After giving thanks to Mrs. Wilkinson for her kind hospitality, the meeting was closed.
