

## MINUTES

of Committee Meeting on 27 June 1995 at Hampton Lodge, Maister Lane.  
Tony Bagler, in the chair; apologies from Olive Brown and Richard Mitchell.

1. Minutes of meeting on 30.5.95 read, approved and signed.

2. Matters arising:

(a) Traffic Calming. A meeting would be held with the Borough Engineer on 5 July, with the Chairman, Vice-Chairman, Ron Knick and Peter Jones attending (Secretary away on holiday); these members would meet previously to discuss the matter.

(b) Millennium Fund. Details had been received of the second round of applications, mostly for <sup>very</sup> expensive projects.

(c) B-in-B. The Chairman mentioned (a) the clearing of trees etc at the Saltham Rd/Huddledoch Lane junction; (b) repairs executed to notice frames - thanks expressed to Jack Hoden-Wilkinson for his attention to the S.P.S. box; (c) entries for the children's painting competition. No date was yet known for the judging but Joyce Libschi said the Weymouth B-in-B Committee knew that a different judge from previous years would judge Seltan Regntz. It was left to the Chairman and Simon Coulter to make necessary arrangements for general tidying up etc., working parties, judging route, and use of tools.

(d) "Preston etc Playing Field Mc". No member of the Committee had been able to unearth any firm details of this reputed account, but the Secretary's contact with the Clerk of Osington Parish Council suggested he might be able to assist. Richard Bucknell would pursue his enquiries accordingly.

3. Chairman's Report (Tony Bagler).

(a) The resumed hearings regarding <sup>WPBC</sup> Structure Plan proposals would take ~~place~~ place in November, although a pers notice was not too clear.

(b) "Broom Lane" - a newspaper report contended that there would be a delay in proceeding with this highway for financial reasons, even if the route were approved by the Secretary of State.

(c) Representations were made to him about the presence of bulls in

village fields; it was thought that these were beef bulls and thus not dangerous, but farmers have a duty to protect the public.

(d) Archaeological Dig 1993/4. Attempt would be made to pursue a suggestion by Fredy Kibselu that any old drawings of the earlier earthworks, mill, etc, might be made available.

(e) World Down Farm conveners. The Chairman would follow up suggestions that this work should qualify for a Civic Society award.
