

Sutton Lodge.

17. 11. 01

Dear John,

The Sutton County Society Committee meeting
to be held on 19th November at Southdown Cottage

Vic Farrant sends his apologies.

Richard Meach and myself are unable to attend this meeting because we are representing the Society at the Weymouth Civic Society Awards ceremony.

I enclose the letter from the Civic Society which acknowledges our submissions for possible awards.

Agenda matters:

Item 4. The Old Dairy House, Puddledock Lane is asking for a holiday letting annex.

Wessan walis's cryptosporidium plant:

When the planning application is eventually made, we can make comments. I would like to discuss the design of the roof once again.

5. Christmas carols: The date is to be arranged with the vicar, through the Mission Hall Committee, I believe. This needs to be done soon.

The Christmas Tree has been ordered and will arrive within days.

Christmas Tree lights: Vic Farrant saw some white lights in B+Q for £35. However, I think that certain ladies should be involved in the matter of choice, since they have strong ideas in this respect
..... Julia Allen? Maureen Morris? and perhaps

importantly, Maureen Tepper who lives by the tree
site and who objected to the linear lights.

Yours sincerely
Tony Byler
