

Minutes of the extra meeting of the SPS Committee – Thursday 29th June 2006 at Wyndings
Simon Emblen in the chair

- 1) Meeting was called to discuss two topics.
 - a) Comments in the Dorset Echo 22 June
 - b) To respond to the Fayre Committee suggestion of running a further event to raise funds using left over items from the Fayre on 25th June.
- 2) It would appear that no committee members knew that the planning application for the third house in Mission Hall Lane was to be brought before the Planning committee on 21st June. Understood that supporters attending were John Allen, Jane Stedman, Karen Albin, Audrey McCready and the developer.
- 3) JS tabled a draft letter for discussion. A letter to be written to Richard Burgess enquiring if the procedure used was correct with a 2nd application in process whilst we had been advised of an appeal date and the apparent lack of attention to the objections of the SPS. A further letter to be sent to the Chairman of the Planning Committee to complain of the comments made by Councillor Farrell at the Planning meeting that denigrated the Society, and we should demand an apology.
- 4) Victorian Fayre Sara reported, in spite of the rain, that the Tombola stall still made £480, 62% of previous profit but with an estimated attendance of only 32%. She reported that they Fayre committee was planning to hold a cream tea and sale of bric-a-brac etc on 15th July. TH reported the activities planned for the Village plan open day but agreed that both events could run together with cross advertising of the two events. JL suggested that as the Tombola prizes had been donated as Tombola prizes they should not just be sold at a stall but instead a further Tombola stall should be run. Meeting agreed. Simon organising.

Date of next meeting – Changed to 20th July at Wyndings at **7.30 pm**
